approximately 250 bags of rice, millet, and beans; and side-dish food, such as dried fish, bean oil and paste, salt, and powdered soy beans. Six machine guns were being placed along the railroad line in the valley southeast of this dump.

there were four petroleum warehouses in dugouts at the former 50X1-HUM Wonsan Kerosene Plant at CU-670340. Approximately 400 drums of gasoline and mobile oil were stored in each warehouse. Supply shipments by five ZIS trucks were received twice weekly between 2200 and 0200 hours. One platoon of North Korean army troops guarded this area.
